MEDI-CAL/MEDI-CARE INFORMATION

MEDI-CAL

Medi-Cal is a State of California medical assistance program. The federal counterpart for all other states is Medicaid. Medi-Cal takes about 30 days to process. There are no emergency cards. Medi-Cal will pay retroactively although it is up to you to find a hospital that will allow that arrangement. You may also transfer from a placement such as Ward-B once you get your card. A letter from Medi-Cal stating that the client will receive benefits has helped clients get admitted into the hospital the same day they applied for Medi-Cal. They also had a psychiatrist sign papers that day for Medi-Cal.

Medi-Care is a Federal medical assistance program. Medi-Care is given only to people
