ADA Public Notice

In accordance with the requirements of Title II of the Americans with Disabilities Act of 1990 ("ADA"), the City of Chino will not discriminate against qualified individuals with disabilities on the basis of disability in its services, programs, or activities.

Employment: The City of Chino does not discriminate on the basis of disability in its hiring or employment practices and complies with all regulations promulgated by the U.S. Equal Employment Opportunity Commission under Title I of the ADA.

Effective Communication: The City of Chino will generally, upon request, provide appropriate aids and services leading to effective communication for qualified persons with disabilities so they can participate equally in our programs, services, and activities, including qualified sign language interpreters, documents in Braille, and other ways of making information and communications accessible to people who have speech, hearing, or vision impairments.

Modifications to Policies and Procedures: The City of Chino will make all reasonable modifications to policies and programs to ensure that people with disabilities have an equal opportunity to enjoy all of our programs, services, and activities. For example, individuals with service animals are welcomed in Chino's offices and facilities, even where pets are generally prohibited.

Anyone who requires an auxiliary aid or service for effective communication, or a modification of policies or procedures to participate in programs, services, or activities of the City, should contact our ADA Coordinator, Michael Heroux, Building and Code Compliance Manager, as soon as possible but no later than 48 hours before the scheduled event.

The ADA does not require the City of Chino to take any action that would fundamentally alter the nature of its programs or services, or impose an undue financial or administrative burden.

Complaints that a program, service, or activity of the City is not accessible to persons with disabilities should be directed to our ADA Coordinator:
