

You could lose your fingers in a flash.

Illegal fireworks aren't just illegal in Chino—they're dangerous. Playing with them could cost you, or a child, a hand or serious burns to the head, face, and body. They could also cost you a \$1,000 fine for using or possessing them. And if they set a fire or cause property damage, you'll pay even more.

So, be smart this 4th of July—don't let the celebration get out of hand.

For more information about fireworks in Chino, visit cityofchino.org/fireworks or call 909-334-3256.

Playing with illegal fireworks could backfire on you.

The City of Chino will strictly enforce fireworks laws and fines:
Possession or use of illegal fireworks – **\$1,000 fine.**
Inappropriate use of safe and sane fireworks – **\$500 fine.**
No fireworks allowed anywhere outside a residential zone; in any public park; in the area bounded by Euclid Avenue to the west, Kimball Avenue to the south, and the city limits to the north and east; and in the area south of Pine Avenue to the city limits.
Chino Municipal Code 8.12
To report the use of illegal fireworks, contact the Chino Police Department at 909-628-1234.
