Business license fees are due within 30 days of opening your business. However, you should check with the Planning Department regarding zoning before you move into your location. Renewal fees are due within 30 days of the license expiration date. Prompt renewal remains the responsibility of the business owner. At renewal time, proof of gross receipts or number of employees will be required, per Section 5.04 of the Chino Municipal Code. If your payment is late, add 10% of your license fee for each 30 days in arrears, to a maximum penalty of 100% of your license fee.

AB 1379 EXTENDS INDEFINITELY SB 1186 CHAPTER 383, STATUTES OF 2012

Senate Bill (SB) 1186 (Chapter 383, Statutes of 2012) created Government Code Section 4467. This statute was recently amended by Assembly Bill 1379 (Chapter 667, Statutes of 2017). Among other things, this statute requires:

January 1, 2018 through December 31, 2023, a four-dollar (\$4) additional fee is to be paid by any applicant for a local business

license, permit or similar instrument when it is issued or renewed. If no such instrument exists, the fee is to be paid by an applicant for a building permit. The fee is divided between the local entity that collected the funds, which retains 90 percent, and DSA, which receives 10 percent.

On and after January 1, 2024, the fees and requirements remain in effect but the amount will reduce to one-dollar (\$1). The city, county, or city and county will retain 70 percent of the fees collected and submit 30 percent to DSA.

The purpose of the fee is to increase disability access and compliance with construction-related accessibility requirements.
