

Recycling for Businesses and Multi-Family Complexes Made Easy

From single-stream recycling services to organics solutions, Waste Management of the Inland Empire is here to help you comply with State Recycling Laws.

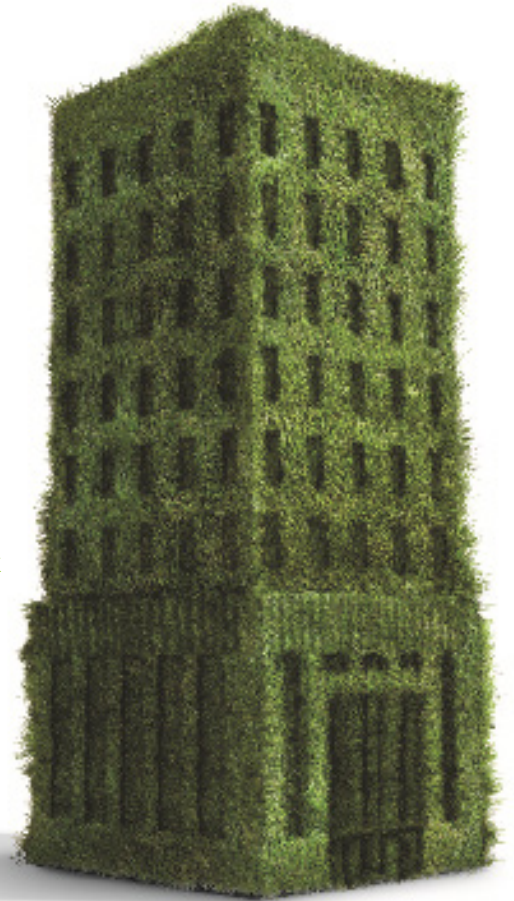

Did You Know? California's Mandatory Organic Waste Recycling Law (AB 1826), requires businesses and multi-family properties to arrange for organic waste recycling services depending on both the type and amount of waste generated.

Additionally, California's Mandatory Commercial Recycling Law (AB 341), requiring businesses that generate at least four cubic yards of waste per week as well as multi-family complexes with five units or more, regardless of the amount of waste generated to recycle.

We're Here to Help you Comply

Schedule a free waste audit and we will assess your needs and identify the best solution for your business or multi-family complex.
