

# Fire Flow Request

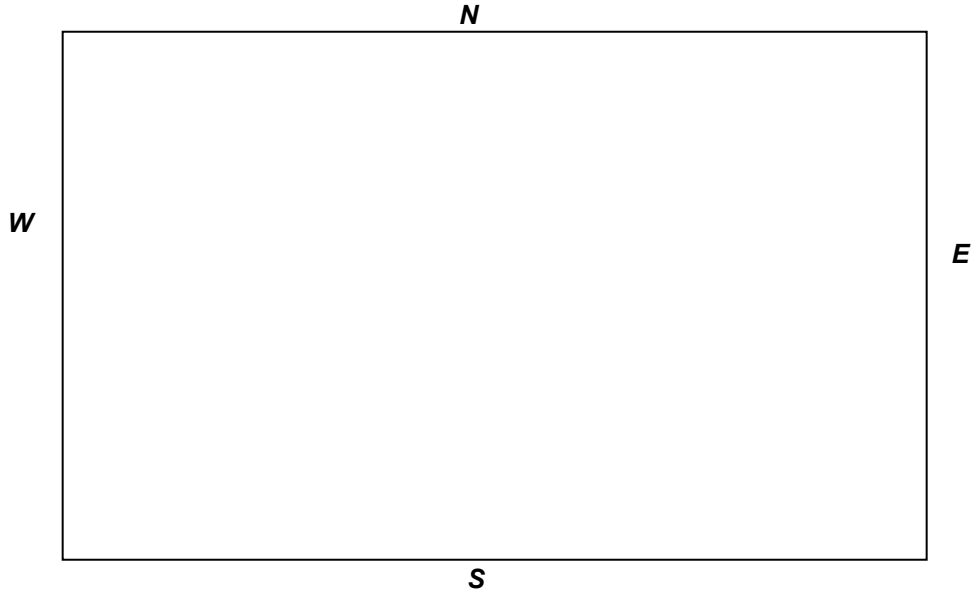

Complete the information below, including the sketch, and forward the request with your payment to the Cashier. Once payment is processed, forward your paperwork to the Public Works Engineering Department (909) 334-3265.

Tests are performed by the Public Works Water Division located at 5050 Schaefer Avenue. Please forward all questions to Pete Vicario at (909) 334-3266 [pvicario@cityofchino.org](mailto:pvicario@cityofchino.org).

The test results will be processed within 7 to 10 business days excluding Fridays.
