# We're serious about quality and safety.

## That's why you can trust us with your care during this challenging time.

At Casa Colina, our goal for patients is simple: high-quality medical, surgical, and rehabilitation care in a safe, secure environment. In fact, we're rated among the top 10% nationally of all short-term acute care hospitals reporting on Patient Safety data, and among the top 9% of Medicare-certified hospitals for Overall Hospital Quality.

That's why, even during a public health emergency, you can trust us to provide healthcare that is both excellent and safe.

Some of the many safeguards we have put in place to reduce the spread of Covid-19 include:

- Casa Colina Hospital inpatients are screened for Covid-19 prior to admission
- Elective surgery and GI patients must test negative for Covid-19 before their procedure can take place
- Outpatients, staff, and vendors are prescreened for Covid-19 symptoms upon entry to all locations, including temperature monitoring and symptoms questionnaire
- Outpatients, staff, and vendors are required to wear medical-grade masks within our facilities
- Patients, staff, and vendors are required to practice strict hand hygiene protocols
- Environmental modifications have been put in place to support social distancing
- Housekeeping staff has been increased for additional cleanliness and disinfection
- Visitor restriction policy is rigorously enforced

If you need medical or rehabilitation care, call 909/596-7733.

To learn more about what we are doing to protect our patients, staff, and community, visit [www.casacolina.org/coronavirus](http://www.casacolina.org/coronavirus).

# November 3, 2020 General Election

The General Election will be held on Tuesday, November 3, 2020 to fill the federal, state, and any other offices and ballot measures as provided by law. Due to newly enacted legislation, San Bernardino County voters will experience some changes in the way this election is conducted.

## Vote by Mail

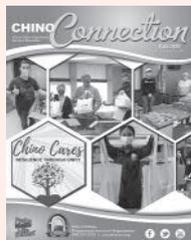

Ballots will be mailed to all registered voters beginning October 5, 2020. Voters may return their voted mail ballot:

- To the Registrar of Voters in San Bernardino
- At a Mail Ballot Drop-off Location during regular business hours
- At a 24-hour Mail Ballot Drop Box
- At any Early Vote site
- At any polling place
- By mail via the U.S. Postal Service as long as the ballot is postmarked on or before Election Day.

Voters can track their mail ballot status using the Secretary of State's mail ballot tracking system at [WheresMyBallot.sos.ca.gov](http://WheresMyBallot.sos.ca.gov). Voters can sign-up now!

In addition, poll workers will regularly sanitize voting booths, pens, ballot marking devices and poll pads throughout the day.

### Voters may choose to vote in person:

- At the Registrar of Voters in San Bernardino beginning October 5, 2020
- At an Early Vote site
- At any polling place on Election Day

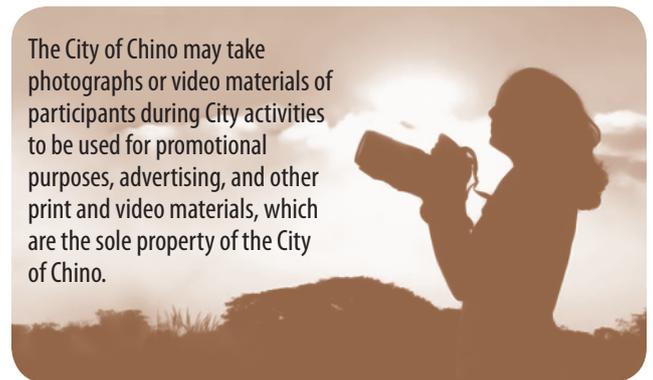

## #VoteReady

Voters are encouraged to make sure their registration is up-to-date using My Elections Gateway web application at [www.SBCountyElections.com](http://www.SBCountyElections.com) and can re-register at [www.RegisterToVote.ca.gov](http://www.RegisterToVote.ca.gov) to make necessary updates. These last couple of months have put Chino to the test as we work together to combat the effects of COVID-19. Chino has been a shining example of resilience and a community who care about one another. To get through this pandemic, we need to continue to work together.

Chino is taking care of our senior citizens and other vulnerable populations. After an initial goal of 400 care packages, over 2,100 care packages have been put together and delivered. Each week over 1,100 meals are delivered, and as many as 340 additional care packages. Donations of food, hygiene, and cleaning products have come from community members at six different drive-up drop off dates, as well as \$10,950 in monetary donations. Community organizations and businesses have also donated products and volunteer hours. Volunteers help to assemble well over 1,300 meals and care packages each week.

The Community Services Department continues to provide services to assist community members. Human Services is providing tele-health and limited in-person counseling appointments. Case Managers are working to provide needed resources to those who need help. HOPE Family Resource Centers have Case Managers who are assisting families with social services applications, unemployment resources, housing and shelter assistance, and the back-to-school re-enrollment process. The City of Chino Human Services can be reached at 909.334.3259. The HOPE Family Resource Centers can be reached at 909.628.1201, ext. 8960.

However long this challenging time lasts and whatever measures we need to take, Chino is up to the challenge because Chino Cares. Find out how you can donate or get involved by visiting [www.cityofchino.org/covid19](http://www.cityofchino.org/covid19), and click on Chino Cares Challenge.

  - I understand that the City reserves the right to change or cancel any or all of the participation/use of rules at any time.
  - I understand that any individual behaving inappropriately or unsafely will be ejected and denied future participation.
  - The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. Although the City is following recommended steps by County health officials, the City cannot protect participants and their family against all possible risks of COVID-19. I understand and acknowledge that participants are encouraged to wash their hands frequently and must take all necessary steps to protect their health consistent with federal, state and county public health guidelines. By participating in the activity, potentially being exposed to others who might have COVID-19, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that my child or children and I may be exposed to or infected by COVID-19 and that such exposure or infection may result in personal injury, illness, permanent disability, and death.
